

TREOMINI+

Compact, nicheless LED pool and spa light

Treo Mini Plus is designed for seamless integration and reliable performance. Delivering 33% more brightness with a wide, even beam spread, it fills the pool with smooth, vibrant illumination. Compatible with standard 1.5" wall fittings, it suits concrete, fiberglass, and vinyl pools, while smart control options, including app, WiFi, and remote for full customization of color, brightness, and effects.

Designed for Service

- Quick Disconnect Plug lets you replace the light head without pulling a new chord
- Save time and money with faster, easier light replacements

Designed to be Reliable

- Smarter, simpler design that keeps your pool shining longer
- Engineered to be the most reliable pool light on the market
- Cooler, more efficient operation extends the life of every component

Designed to Blend In

- Fits any standard 1.5" wall fitting for easy upgrades and new installations
- Flush-mounted design disappears into the pool surface for a seamless look
- Universal compatibility with concrete, fiberglass and vinyl pools

Designed for Coverage

- Same Treo Mini, now 33% brighter
- Wide beam spread fills the pool with vibrant, even light
- Superior diffusion eliminates harsh spots for a smooth, natural glow

Control

- Color Touch technology with OEM cloning via Hayward, Jandy & Pentair Automation systems.
- Integrate seamlessly with smart-home automation systems.
- Control via Remote Handset or APP through smart devices.
- Color wheel control for instant and dynamic touch control
- Brightness control on PAL mode only.

Driver

- WiFi/RF
- Low Voltage 24V DC
- IP65
- UL Listed

Dress-Rings

Stainless | Black | Silver | White | Cream

Stylish, interchangeable dress rings that allow you to tailor the TreoMini Plus to suit any pool finish.
